The question of the inclusion of Mr. Rollo's name in Appendix I of the M.S.R. to entitle him to some special concessions came up for consideration in October 1924 when the Registrar, Mysore University, forwarded for orders a copy of letter No. 617 dated 23rd Septr. 1924 from Mr. Rollo. The latter officer stated that he alone of the Europeans in the Educational Service had been omitted from the list and that this was perhaps due to his not having applied for the same as he was unaware of the provision and, therefore, requested that his name might be included in the list. When the matter was referred to the then Financial Secretary (present First Member of Council) he was pleased to record as follows: -

Fiefay C.

Fiefay C.

(4) It would appear from his letter that Mr. Rollo thinks that the privileges allowed to officers included in Appendix I are admissible as a matter of course to all European Officers in service. He believes that the omission of his name from the list given in this Appendix is simply due to the fact that he has not asked for its inclusion in it. This, however, is not the position. The general rule is that the same Leave Rules as apply to Indian Officers should apply to Europeans as well and the benefit of special Long Leave Rules is allowed only to a few Europeans specially included in Appendix I. It is not a

term of Mr. Rollo's employment to give him the concession of Special Long Leave Rules. It is undesirable to make additions to the list given in this Appendix. If however, all the other European Officers in the Educational Service are allowed this concession, it may be difficult to refuse it in the case of Mr. Rollo; but it cannot be claimed by Mr. Rollo simply because he is a European Officer. Nothing is stated in his letter or in that of the University as to why the terms of his employment should now be revised in his favour. If there are any special reasons, the concession may be allowed; otherwise, it is well to refuse the request and permit no more additions to the list.

25 The matter was considered in Council and Mr. Rollo was informed through the Registrar Mysore University as in the letter Flag C).

26 Mr. Rollo has again applied for being included in the list. The chief reasons given by him for applying for the concession are that four of the officers were placed in the list five years after he joined the Service and that he is the only officer whose name has been omitted. He also states that his additional work as Magistrate and Secy. of the Students' Information Bureau voluntarily undertaken might be considered as an additional reason for his not being placed in a less advantageous footing as regards leave than his colleagues.

27 It will be seen that Appendix I now comprises the names of the following European

Officers:-

1. Mr. R. Bocquet.
2. " F. R.Sell.
3 Dr. E. P. Metcalfe
4. " Coleman.
5 Messrs. Mc Alpine and Mackintosh

The privilege of long leave etc., to the four Professors above mentioned was granted to them at the time of or immediately after their confirmation and as a matter of ~~fact~~ contract. But in the case of Mr. Rollo, he was entertained in July 1918 and confirmed in July 1919 after one year's probation. Kind reference is invited in this connection to a D.O. letter issued to him about the time of his appointment stating that as regards his status he would be taken into permanent service of Government at the end of the year of probation and would have all the privileges as to leave, pension and allowances given to officers of Government under the M.S.R. It will be seen from this that he was not offered any special concessions as regards leave etc., outside the M.S.R. nor did he press for the same at the time of confirmation. Thus as observed by the Financial Secretary the case of Mr.Rollo does not seem to be on all fours with the others.

Please work up the actual loss in money that Mr. Rollo will suffer if he is not granted the concession. The loss may be calculated on each of the items in the comparative statement put up by the C.B.

CR 7/3

Rollo was born on 7.12.84 according to the gradation list and would be 55 years old on 7.12.39. As he joined duty on 1918 he would put in a service of 21 years 5 months and 6 days or 21½ years by the time of his reaching the superannuation age. If he were given the Special Concessions asked for, he would earn furlough at the rate of ¼ of active service rendered by him. Counting all the service as active service, he would be entitled to ¼ of 21½ or 5 3/8 yrs of furlough on half average Sal. while under the present conditions he is entitled to only 1/6 of 21½ or 3 7/12 years furlough. The difference would thus be 1 year 9 months and 6 days.

This is an error - vide Mr. Secy's note of 6.11.30

(Subject to verification by the Comptr)

The exact money equivalent of the loss that would be incurred by Mr Rollo cannot be found out unless

36) In the case of all officers governed by the Ordinary Leave Rules except Chief Judge and Members of Council, the maximum limits of average and half average salary are Rs.1,500/- and Rs.750/- respectively. As regards the officers mentioned in Appendix I the rule is the same except that when they draw their leave allowances in England the permissible maximum of half average salary is £75/- instead of Rs.750/- per month. Thus, with regard to leave allowances at any rate Mr.Rollo will not derive any benefit by the inclusion of his name in Appendix I unless and until he begins to earn a salary exceeding Rs.1,500/- per mensem.

Final Note by the Third Member of Council.

Subject:— Request of Mr. J.C. Rollo, M.A., Principal, Maharaja's College, Mysore, for the inclusion of his name in Appendix I of the Mysore Service Regulations.

In October 1924, Mr. J.C. Rollo made a representation for the inclusion of his name in Appendix I of the Mysore Service Regulations which comprises the names of all the European officers of the Mysore service who are admitted to the benefit of the special Long Leave Rules contained in articles 204, 207, 208, 211, 215 and 217 of the Regulation. His requested was not sanctioned. He now prays for a reconsideration of that order on the ground that officers who are junior to him have been given the concession.

Mr. Rollo is the only European officer in the Education Department who has not given the benefit of the special long leave rules. The additional liability imposed on the Government by the grant of the concession to Mr. Rollo is not much. I am of opinion that it would be wise to sanction the concession to him.

The Dewan and the other Members of Council have agreed to the inclusion of Mr. Rollo's name in Appendix I of the Mysore Service Regulations, and I solicit His Highness' gracious sanction thereto.

Letter No.2128,dated 6th January 1930, from the Principal,Maharaja's College,Mysore, to the Registrar,Mysore University, Mysore.

====

I have the honour to request that Government may be pleased to include my name in Appendix I of the Mysore Service Regulations,referring to the benefit of the special long leave rules,Articles 204,207,211,208,215 and 217.

I made this request some years ago and it was declined. I beg to represent (1) that I am the only European Officer of the University who is not placed in this appendix,and (2) that four of those in the list were placed there five years after I joined the service. I do not know how it can have happened that my name was then omitted,and had I then known about the matter I should of course have made a representation then. It is very unfortunate for me that there should be this discrimination between myself and the other officers of the University, and that the privilege should have been conferred upon the others long after I joined. I presume, too, that I should be the last beneficiary,since there is no one now in service who could ground a similar request on the granting of my request.

Perhaps it is permissible to an officer of Government,in making a request like this,to support it by reference to services that are voluntarily undertaken. in my own case I am thinking ~~it by reference to services that~~ particularly of the work of magistrateship and (what has become a large and very responsible task)the work of secretary of the Students' Information Bureau. Perhaps such work may be thought an additional reason for my not being on a less advantageous footing as regards leave than my colleagues.
